

# *L'Art de la Baguette* It's above all; a concept,

For the young and old, for the passionate, fond of food or professionals of bakery industry.

Based on where the ingredients come from at times from the regions and at others from their origins.

Trendy, they will lighten up any table and their crunchiness will leave your guests wanting more.

They are made from an age old tradition that has been able to stand out to create unsuspected varieties and delight us.

L'Art de la Baguette reminds us the originality and distinctiveness of our lifestyle.

The baguettes from this concept remain ours Divas, that is why we've created characters for each worthy, each baguette has recommendations, yours to try out; we present them to you...
